

Central Test assessments tools are now available on ZOHO Recruit Marketplace

Central Test, an assessment publisher expert for more than 18 years, is thrilled to announce its partnership with **Zoho Recruit**, an easy-to-use recruitment software, trusted by 6000+ companies worldwide.

Since 2002, [Central Test](#) offers state-of-the-art psychometric assessments, IT skills tests and video interview solution along with quality services that are recognized and appreciated by more than 4000 companies around the world.

From now on, Zoho Recruit customers can benefit from the best assessment solutions to help them select the candidates best suited to the jobs.

Each Zoho Recruit client can now easily deploy and send Central Test assessments and receive candidate's detailed reports directly in Zoho Recruit platform.

About ZOHO Recruit

Zoho Recruit is an applicant tracking system catering to multiple hurdles faced by recruiters. With complete solutions for both in-house recruiters and staffing agencies, Zoho Recruit helps you source, track, and hire the best candidates, without any juggling required across different media.

Zoho respects user privacy and does not have an ad-revenue model in any part of its business, including its free products. More than 35 million users around the world, across hundreds of thousands of companies, rely on Zoho every day to run their businesses, including Zoho itself. Zoho Corporation is privately held and profitable with more than 5,000 employees. Zoho is headquartered in Pleasanton, California, with international headquarters in Chennai, India. Additional offices are in Austin, Utrecht, Singapore, Yokohama, and Beijing. Please visit <https://go.zoho.com/5nC>
